General Education

From 2006, a General Education requirement is included in undergraduate degrees. Most undergraduate degrees include two General Education courses which are denoted by a "G" suffix added to the course code.

Auckland College of Education (ACE)

Sessions

Where the dates of an enrolment period do not conform to the set dates of a given term, dates for the particular "session" are used. When a student has courses belonging to more than one session within a term, the separate sessions are displayed underneath the term with their appropriate enrolments.
